DE-SOBRE NA, 'HONORABLE' PA

A family that lost its home in a fire was made to wait two weeks, return repeatedly, and swallow its pride for P200 in aid.

"Nahiya pako i-open to sa opisina nyo mas nakakahiya pala ung laman."

Marvie Amistoso, the Antipolo resident, said they asked for help, not charity, and questioned why election watchers get P500 while fire victims get less.

The post also accused a councilor of using a livestream of their burning house to go viral, then offering no aid beyond questions and demands for requirements.

"Hindi sa ungrateful kami pero... sana 'di n'yo maranasan masunugan at paghintayin ng two weeks for 200 pesos."

SARA DUTERTE CAP NG ISANG ALEX EALA FAN, HINATI ANG OPINYON NG NETIZENS! 😳

Habang todo-suporta ang mga Pinoy kay Alex Eala, isang fan sa crowd ang naging usap-usapan online dahil sa suot nitong green cap na iniuugnay ng ilang netizens kay Vice President Sara Duterte.

Nag-viral ang clip matapos itong i-share sa social media, kung saan may mga natuwa at natawa sa eksena, habang ang iba naman ay nagsabing hindi na sana isama ang pulitika sa pag-suporta kay Eala.

Kayo, anong masasabi n'yo? Dapat bang ihiwalay ang politics sa sports, o normal lang na may kanya-kanyang paniniwala ang mga fans?

FUJIWHARA EFFECT
WHY TROPICAL DEPRESSION LUIS IS MAKING A U TURN NEAR THE PHILIPPINES
Two tropical systems close to each other can interact in a dance that changes their direction. This is called the FUJIWHARA EFFECT.

TYPHOON DOLPHIN
TD LUIS

TYPHOON DOLPHIN is much stronger and larger, while TD LUIS is smaller and weaker.
When two storms get close, the stronger storm's circulation can dominate...

Multiple model ensembles show TD Luis curving northward, then turning back toward the Philippines – a classic Fujiwara Effect.

K*LLER CARABAO

A farmer spent years behind the same carabao, walking the same muddy rows, trusting the same animal every season. Last Thursday, the partnership ended in an unlikely betrayal.

Ronald (38) was working in a field in Barangay Quiwi, Hinigaran, when the animal attacked. His live-in partner heard him screaming while fetching water. She found him badly injured as the carabao kept charging. Neighbors restrained it.

Ronald was declared de*d on arrival at the hospital.

Good morning. Pasuyo ako please. :)

Last night, I posted about the names of congressmen who may possibly sign the impeachment case against VP Sara.

Pero, when I woke up this morning, disabled na account ko without any prior notice or explanation. I have no idea which specific violation I committed para ma disable ang account HAHAHAHAH

Ito screenshots:

For those who are looking for TIO MORENO's FB account, please know that FB has disabled his account. Not suspended. Disabled. He has 30 days to appeal its permanent deletion but in the meantime kindly follow his other blog, AllWrite.

Aaaaand she's going to her FIRST EVER WTA500 FINALS!

Naomi Osaka had a crisp service game early in the first set until Alex figured out the timing. Inatake ni Alex di lang second serve, kundi pati first serve ng kalaban. And once Osaka main weapon had been neutralized, the Japanese seemed so lost.

Even Alex' serve proved quite potent against Osaka. Hindi mapulsuhan ni Osaka yung variation ng serves ni Alex.

Maghaharap sa finals si Alex at Jessica Pegula for a rematch. Their last meeting was in Miami 2025 Pegula won in three sets.

Which means... the three-set trap has been set! Maniningil si Alex.

• First Use of "Catholic" (c. 100–110 AD): The word "catholic" (from the Greek *katholikos*, meaning "universal") was first recorded in a letter written by [Ignatius of Antioch] (wikipedia.org_ Antioch) around AD 107 to describe the unity of the early Christian church.

Ang argumento ni igit Moreno ay isang malinaw na halimbawa ng maling pangangatwiran—partikular ang Tu Quoque (appeal to hypocrisy), Guilt by Association, at False Equivalence. Imbes na sagutin kung may batayan ang puna ni Lovely Granada sa panggigipit ng gobyerno ng Tsina sa West Philippine Sea, inilipat niya ang usapan sa pinagkakakitaan at app na ginagamit nito.

May malaking pagkakaiba ang geopolitics sa pang-araw-araw na pamumuhay. Hindi iisa ang gobyerno ng Tsina (CCP), ang mamamayang Tsino, at ang mga pribadong kompanya tulad ng Tencent. Ang pagbisita sa Intramuros ay hindi nangangahulugang gusto mong pasakop uli sa Espanya, at ang paggamit ng WeChat ay hindi nangangahulugang kinikilala mo ang Nine-Dash Line. Puwedeng-puwedeng tutulan ang pang-aagaw ng Beijing habang nakikipagnegosyo sa mga Tsino—gaya ng puwedeng punahin ang mga polisiya ng Amerika habang gumagamit ng iPhone o Facebook.

Sa katunayan, kung ang source of income ni Lovely ay mula sa Chinese clients, mas dapat pa nga siyang purihin. Hindi iyon pagtataksil; iyon ay pagpapasok ng perang dayuhan sa bulsa at ekonomiya ng Pilipinas habang buong-tatag na ipinaglalaban ang sovereign rights ng bansa.

Aug 02, 2026 13:50:45

Sa katunayan, kung ang source of income ni Lovely ay mula sa Chinese clients, mas dapat pa nga siyang purihin. Hindi iyon pagtataksil; iyon ay pagpapasok ng perang dayuhan sa bulsa at ekonomiya ng Pilipinas habang buong-tatag na ipinaglalaban ang sovereign rights ng bansa.

Sa baluktot na logic ni Igit, kapag pinalagawan ng Tsina ang barko ng Pilipinas, kailangan mo munang itapon ang "Made in China" na charger mo bago ka pwedeng magalit—na posibleng ginamit pa niya habang tina-type ang kaniyang post. Sa kaparehong lohika, kapag galit ka sa korapsyon ng gobyerno sa Pilipinas, bawal ka na ring gumamit ng piso at bawal ka na ring magbayad ng buwis.

Pumalpak ang kaniyang "gotcha" moment. Hindi ito exposé kundi isang post na sagana sa emoji pero salat sa logic—maraming ingay, walang lalim, at ni isang matino o direktang sagot sa tunay na isyu, wala.

DDS ba si Alex?

Noong nagkaroon ng historic run si Alex Eala sa Mubadala Citi DC Open, ininterview siya ng sports journalist na si Dyan Castillejo tungkol sa kanyang vibrant green na Nike kit. Sinabi ni Eala na nagbigay ang sponsor niya ng ilang color options para sa hard-court swing, pero siya mismo ang pumili ng green outfits para sa linggong 'yon dahil nagandahan siya rito.

May mga false claims na lumabas sa Philippine social media na nagsasabing political statement daw ang kanyang green attire para suportahan si Vice President Sara Duterte, na may campaign color na green. Walang kahit anong political alignment si Eala; pinili niya lang talaga ang kulay na 'yon purely para sa style, comfort, at para maiba naman ang porma niya sa court.

Skipping Sunday Mass on purpose can be a mortal sin because Catholics have a serious duty to worship God on Sunday.... See more

WHY IS IT A MORTAL SIN TO SKIP MASS ON SUNDAY?
THE LORD'S DAY IS FOR THE LORD!
1. GOD COMMANDS IT
"Remember the sabbath day, to keep it holy." – Exodus 20:8
Sunday is the Lord's Day because Jesus rose from the dead on Sunday.
2. THE CHURCH REQUIRES IT
The Church, given authority by Jesus, requires Catholics to attend Mass on Sundays and holy days.
CCC 2181
3. SERIOUS MATTER
Sunday Mass is where we worship God and receive Jesus in the Eucharist. Deliberately missing it is a grave matter.
4. MORTAL SIN REQUIRES THREE CONDITIONS (CCC 1857)
• Grave matter
• Full knowledge
• Deliberate consent
If all three are present, it can be a mortal sin.
BUT THERE ARE VALID REASONS TO MISS MASS
• Serious illness
• Caring for someone
• Dangerous weather or travel
• Another serious reason
The Church does not require the impossible. (CCC 2181)
THE BOTTOM LINE:
CANNOT GO ≠ WILL NOT GO
God understands when you cannot go. But if you can go and choose not to, you are turning away from Jesus and His command.
Don't skip the Sunday encounter with Jesus!

ewan ko ha haahhah napanood ko na to e. naalala nyo ung "Boycott Mcdo" ... more

We urge everyone to continue supporting the Boycott, Divestment, and Sanctions (BDS) movement to the fullest extent possible. As Muslims in the Philippines who have experienced our own struggles for justice and dignity, we stand in solidarity with the Palestinian people and support the call to boycott products, services, and initiatives linked to the Zionist regime.

With the release of Spider-Man: Brand New Day in SM Cinema, Robinsons Movieworld, and other cinema outlets nationwide, we respectfully encourage the public to refrain from supporting its screening as part of this collective effort.

This call is grounded in the film's association with Israeli-American producer Avi Arad, who publicly defended Israeli Prime Minister Benjamin Netanyahu in 2024 and has repeatedly expressed support for Israel during the ongoing conflict in Palestine.

11 million views in 24 hours, and the artist ended up blocked by Musk.

The drawing was a pencil portrait of Elon Musk, done by hand and posted on X with a note that it was made for him.

Strangers argued about the likeness. Some called it rough, others said they recognised Musk instantly. Everyone kept tagging him.

Musk answered without a word. The fan posted the screenshot of the block, and that screenshot travelled further than the drawing ever had.

Praise on one side, a block button on the other, and no explanation from Musk in between.

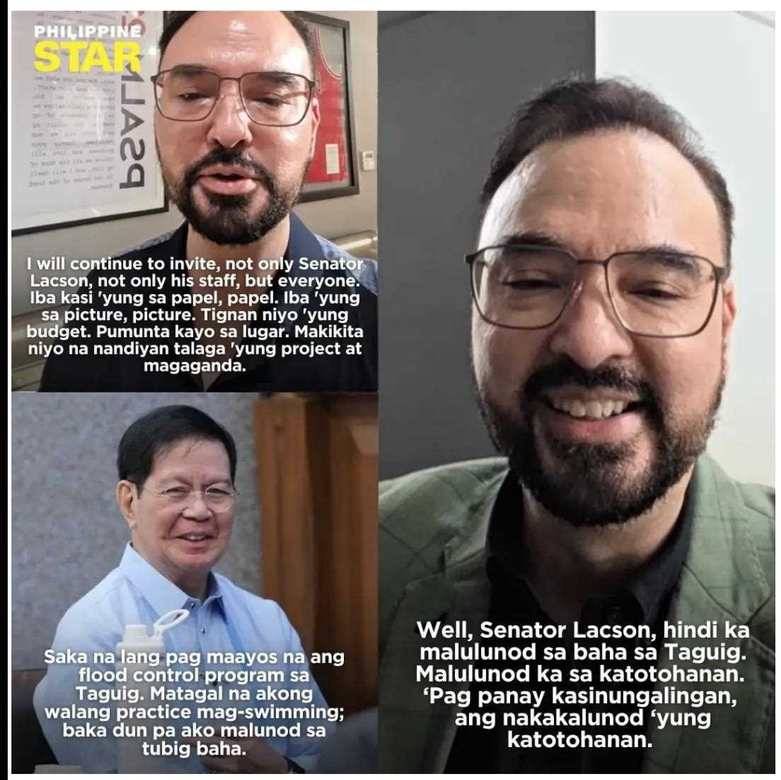
CAYETANO TO LACSON: MALULUNOD KA SA KATOTOHANAN... See more



I will continue to invite, not only Senator Lacson, not only his staff, but everyone. Iba kasi 'yung sa papel, papel. Iba 'yung sa picture, picture. Tignan niyo 'yung budget. Pumunta kayo sa lugar. Makikita niyo na nandiyan talaga 'yung project at magaganda.
Saka na lang pag maayos na ang flood control program sa Taguig. Matagal na akong walang practice mag-swimming; baka dun pa ako malunod sa tubig baha.
Well, Senator Lacson, hindi ka malulunod sa baha sa Taguig. Malulunod ka sa katotohanan. 'Pag panay kasinungalingan, ang nakakalunod 'yung katotohanan.
